TO: ARCHITECTS AND ENGINEERS

FROM: KATHERINE LYNN, ASSISTANT FINANCE DIRECTOR
      FRANK BARNES, DIRECTOR, DIVISION OF CONSTRUCTION MANAGEMENT

SUBJECT: REVISION TO THE STATE BUILDING CODE

June 7, 2016

1. Effective July 1, 2016, the Department of Finance, Division of Construction Management (formerly the Alabama Building Commission), will adopt, promulgate and enforce the 2015 International Building Code as the State Building Code. The following companion codes shall be included:

   2015 International Plumbing Code
   2015 International Mechanical Code
   2015 International Fuel Gas Code
   2015 International Fire Code
   2014 National Electrical Code (NFPA 70)
   2013 National Fire Alarm and Signaling Code (NFPA 72)
   2014 ACC/NSSA Standard for the Design and Construction of Storm Shelters
   2010 ADA Standards for Accessible Design

2. The transition from the current State Building Code to the revised State Building Code will begin July 1, 2016 and will include a six-month grace period to allow current projects to either complete the review process or to transition to the new code. After the six-month grace period is completed, all submittals must comply with the revised State Building Code. The transition to the revised State Building Code will be implemented as follows:

   1. All submittals received before July 1, 2016 must comply with the 2009 International Building Code.

   2. All first-time submittals (schematic, preliminary or final) received on or after July 1, 2016 must comply with the 2015 International Building Code.
3. All submittals received from July 1, 2016 through January 1, 2017 where the first-time submittal (schematic, preliminary or final) was received before July 1, 2016 may be completed under the 2009 International Building Code or may be revised to comply with the 2015 International Building Code.

4. Any submittals received on or after January 1, 2017 must comply with the 2015 International Building Code.
